| Role: | As a social media marketing strategist. |
| Steps: | Develop strategies for promoting the app on Facebook, Instagram, and Twitter. Suggest types of content to post (e.g., videos, testimonials, workout tips). Provide a posting schedule for the first month. Include ideas for engaging with followers and encouraging app downloads. |
| Input: | I need a campaign plan to promote our new fitness app on social media. The plan should include strategies for different platforms and types of content to post. |
| Expectation: | I want a comprehensive campaign plan, around 500 words, that outlines clear strategies and content ideas for promoting the fitness app. |
| Narrowing: | Focus on creative and engaging content that highlights the app's unique features. Include tips for tracking engagement and measuring success. Keep the tone energetic and motivational. |
